FOCUS—Schuylkill Valley 1968

Six years is a long time
—too long to forget.
We look around and ask
—where did it go?
And so we pause to focus
our thoughts on each of the
facets of our high school life.
We worked, we played,
we laughed, we cried.
Then we look the other way
—into tomorrow.
Suddenly we're not so tall
as we thought we were
and not so smart.
But we find that somehow
we learned a
decisive lesson here:
something we wouldn't have
without the administration,
faculty, our parents
and advisers—guidance
into the uncertain future.
It can never be so dark again
though the world may change
and the times change
and we change
and to those
who have influenced
these changes, we dedicate
this 1968 VALLETTE.

ADMINISTRATION
SCHOOL STAFF

Administration Works to Provide

A candle may be small, but no darkness can put out the light of even the smallest one. Neither can the influence of your lives be put out.

The words of Edward Everett Hale should inspire us to accept our individual responsibilities:

"I am only one,
But still I am one.
I cannot do everything,
But still I can do something;
And because I cannot do everything,
I will not refuse to do something that
I can do."

The future years will be exciting ones. They will call for courage, adventurousness, imagination, and determination to devote your energies to the challenges of the ever changing world of which we are a part.

I congratulate you as a class and individually upon your graduation from Schuylkill Valley High School. My best wishes go with you.

Stanley A. Prey

Supervising Principal

Modern Educational Program

You leave us now, each to go your separate way, each to pursue your own destiny. As your High School Principal, I have watched you prepare for this day with much enthusiasm tinged, perhaps, with some concern. I know that we have prepared you well to meet successfully any challenge which might come to you from the academic community. You are in the best and fullest sense of the word, academically well educated. I am, however, not quite as definitely sure that we have prepared you as well as we might have to meet and resist the many challenges and pressures of a social nature which will confront you constantly during the course of your adult life. We have tried—you know that. But this part of our task is most difficult and we must still learn much. We have stressed always the need for action based on concepts of personal integrity and human dignity. This, because we believe that humans possess the capacity to live their lives ruled not only by the external laws of man, but rather more from the inner laws of their own conscience. We have permitted a certain amount of personal freedom in your daily school life so that you might learn that life will demand that you not only act responsibly, but will call you to account for any irresponsible act. We have also attempted to foster in each of you a love of country and an awareness of its traditions; for we strongly believe that to live in these United States is a great blessing, and that to preserve this for unborn generations demands that your generation accept the challenge to rekindle the vitality, the energy, the restless spirit which helped mold this nation of immigrants into a nation of Americans. Yours is the task to again make us all feel proud of our national heritage.

I personally have faith in your ability and in your humanity, and thus when the time comes, I will be ready to accept your enlightened leadership. So go now and make right the wrongs you have inherited. Join with young people throughout the world in a great crusade to make the world right again and to guarantee to all men the right to live in peace and dignity. Do not fail us.

SENIOR TEAM MEMBERS—J. Snyder, D. Baer, C. Krause, F. Yaklich, B. Lantz, Miss Rowe, R. Thren.

This season proved to be a building year for the Cross Country Team. Although many wins were not secured, all of the boys attained useful skills to assure a better team in the 1968-69 season. The team and Mr. Esposito are to be commended for their hard work throughout the season. No one except a runner himself realizes the amount of grueling training required for this sport.

Football Inaugurated! First

August 18, 1967, is not a landmark in world history, but for S.V.H.S. fans that day signifies the materialization of a dream. On that hot and muggy afternoon, sweat, lectures, and action were the formula that initiated 32 fellows into a sport called football. It was not easy for the team or for their coaches (Mr. Gerfin, head coach, Mr. DeMott, and Mr. Schaadt) but determination and spirit have prevailed through both victory and defeat. Entering a varsity team in the Inter County League is the end result of a fantastic first season.

Cooperation and school spirit combined with good sportsmanship and effort resulted in an overall 7 wins-15 loss season.

Among the outstanding performers was Francis Richards, who topped the school scoring record by hitting for 244 points. His hopes for the country crown were shattered in the last six seconds of the final league game played at Hamburg.

Third Time

The girls' basketball team was suppliant to a victorious season this year. During the third week of November the girls started their preparations toward what was hoped to be a successful season. It was a season of hard and sweat-rendering work for the entire team and six lonely-hearted seniors, who practiced with sadness in their eyes, because they were leaving.

Congratulations goes out to the entire team and their coach Miss Rowe for securing the 1967-1968 Northern Division Girls' Basketball Championship.

Trackmen Pound Cinders

S.V.'s track men have exhibited individual initiative and athletic prowess by participating in running, jumping, or throwing on the cinder squad. Curwood Snyder, a senior shot-putter, earned fourth place at the Albright Invitational meet and a third at the West Reading meet. Richard Kohler set a triple jump record of 43' 3½" at the Albright meet; also he placed fourth in the broad jump. Kohler secured third place in the triple jump at West Reading and a second place at Wilson. The strength and speed of all the boys along with the advice and coaching of Mr. Esposito and his assistant Mr. Feeg enabled the team to finish third in a six team-field.

An overall score of 8 and 6 brought the team a fourth place in the Berks County Conference. Since Donald Kleinginna is the only senior on the team, Mr. Braun is looking forward to an even better season next year.

Enthusiasm Dominates Season

With one returning Senior, Jo Kochan, and their new coach, Mrs. Stern, the '68 softball team worked together until the last out of the last game. The enthusiasm and sportsmanship of the girls helped them to face and repair their weak points. With the aid of Mrs. Stern and the desire to win they improved their record.

SLAVE

Through a season of dreary, wet and cold weather, this year's fem tracksters performed very well—well enough to be the recipients of the county trophy. In the Venzke Relays and Penn Relays, the relay team received second and fourth places respectively. Strong team spirit combined with individual hard work and training were the ingredients for success. In addition, we cannot overlook the fine efforts of their worthy coach, Miss Rowe.

Fervent discussions, accomplishing arguments, and routine business matters were heard during Student Council meetings. Student Council has had an extremely active year in all aspects of student life. The responsibility of assuring good conduct in the cafeteria was given to Council; Council is pleased to say that the conduct was respectable. An amendment was made to the Constitution pertaining to Senior pranks. Council again sponsored the annual Inaugural Ball, the Christmas door decorating contest, and a collection of food for the needy in the area at Christmas time. To raise money for the Foreign Exchange program Council sponsored the Sample Fair on March 29. Also, Council has purchased a gavel for the President of the School Board. The Student Store sold S.V. T-shirts and sweaters to promote school spirit.

Student Council has tried to develop a sounder relationship between students and administration under the proficient leadership of President Steve Schell, Vice-President Scott Althouse, Parliamentarian Michael Rahn, Secretary Shirley Stump, and their adviser Mr. Lerch.

1967-68 has been an enriching school year for the youth of the Socratic Chapter of the National Honor Society. With the assistance of their adviser, Mr. Robert Reeser, the members have participated in numerous activities and stimulating discussions. An excursion to see the performance of the Vienna Boys Choir was the apex of their cultural year. Their moment of pride was the presentation of a cash award to a deserving senior. The solemn induction ceremony contrasted to the excitement in the hearts of the newly installed members. From the society, the members have gained the incentive to continue their scholastic achievement, to fulfill their destiny of leadership, to develop their character, and to serve humanity.

Y-Teens Serve in Many Ways

The newly formed Y-Teens club exploded into action this year with a full schedule of activities. One of the club's first projects was a collection of clothing for a local family who lost their home in a fire. During the Christmas holiday, the girls entertained children from the Fellowship House at a party held in the school cafeteria. Other services to the school included ushering and taking care of the cloak room for all evening performances, and serving at several banquets for other organizations. Each member of the club was a volunteer for the community Hemophelia drive. A special committee was responsible for a display in the auditorium showcase. "Battle of the Bands," a Y-Teen sponsored dance, featured "Our Generation" and the "Wall of Sound." At the end of the year, a swim and slumber party at the Y.M.C.A. afforded these hard-working girls a well deserved reward for the many services they rendered to the community and to the school throughout the year.

FBLA Trains for Business World

FBLA OFFICERS: G. Spadafora, reporter; J. Fisher, president; F. Yaklich, treasurer; F. Bowers, vice-president; J. Hoffman, secretary.

FBLA members became familiar with the business world this year with many varied activities. Before students returned to Schuylkill Valley in the fall, Jane Fisher represented the chapter at the Harrisburg State Convention. To initiate the year the group journeyed to Reading High School for the Fall Regional. In addition to collecting money for the Heart Fund, FBLA sponsored a Heart Fund Dance featuring "Pat Farrel and the Believers" on March 22, at which they raised $200.00. Members of the chapter also attended the Spring Regional on March 29, at Wilson High School. The sales of refreshments at football games, candles during the Christmas season, and tickets for *South Pacific* provided experience for the future leaders in business.

Hard work and varied activities combined to make a prosperous year for the members of the Future Teachers of America Club. During the year, Beaver College and West Chester State College were visited, providing knowledge of campus life and college curriculum. Delegates to various teaching conventions were sent as representatives of the local chapter; they met students from other clubs and exchanged ideas on various topics.

During the Christmas holiday, FTA held a party for underprivileged children in the Reading area. By bringing joy to others, the members of the club realized the value of giving.

The Cadet Teaching program, held in April, gave the members an opportunity to work as teachers.

Socially, S.V.'s own psychedelic freak-out, "Flower Power," was sponsored by the FTA. The cafe provided the "scene" and "Our Generation" provided the "sound." Brightly hued flowers and swinging vines brought a different, exciting atmosphere to S.V. Miss Emily Yocom, adviser, gave her time and patience to guide the members into preparing for a teaching career.

Thespians

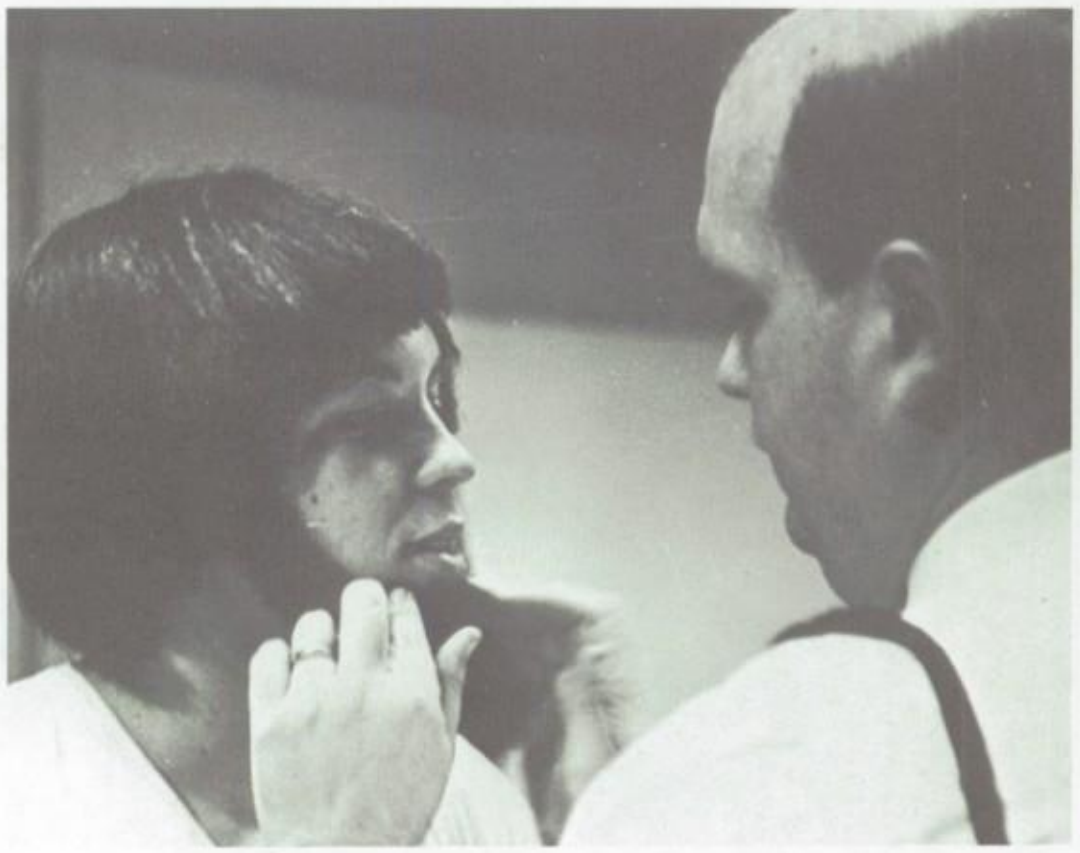
Carol Shade helps Randy Seip apply make-up.

The Drama Club, under the direction of Mr. Robert Reeser, swung into action with a full slate of activities. Each week, members met to discuss all phases of acting, directing, make-up techniques and set designing.

For this year's Christmas assembly, the Club presented Sherman L. Sergel's "The Christmas Miser," a play which parallels Dickens' "Christmas Carol."

As a new innovation, the Club presented "A Night of Drama," which marked the climax of their busy year. Four one-act plays were staged: "The Last Leaf," one of O. Henry's famous short stories which concerns the artists in Greenwich Village and a pneumonia epidemic; "The Masque of the Red Death," Edgar Allen Poe's suspenseful and intriguing mystery of plague in Renaissance Italy; Alexander Solzhenitsyns' "One Day in the Life of Ivan Denisovich," whose action is set in a Russian prison camp; and "To Burn a Witch," James Braz's portrayal of the notorious Salem witch trials.

In conjunction with the Drama Club, Schuylkill Valley has its own chapter of the National Thespian Society. Carol Shade and Dave McFarland belong to this organization, whose membership is dependent upon superior work in theatricals.



Dave McFarland needed a wig and beard for his role as "Prince Prospero" in "Masque of the Red Death."

An international flavor was added to the student atmosphere of Schuylkill Valley this year with the presence of two pretty "desmoseelles" from Lima, Peru. Senorita Ana Maria Adiego visited with us from December to March and was a guest in the homes of Mr. and Mrs. Norman Stiely and Mr. and Mrs. Peter Barbis. Ana highlighted her stay by teaching some Schuylkill Valley students the "Samba" for our Mardi Gras Ball. Senorita Danila Campos Cassinelli spent the entire school year with us and was a guest in the homes of Mr. and Mrs. Joseph Waldman, Mr. and Mrs. Richard Reeser, and Mr. and Mrs. Robert Brown. Danila's effervescent personality contributed a great deal to Schuylkill Valley's understanding of our South American neighbors. All of us here will miss the "oi's" and "What means ... ?" of these young ladies. May Schuylkill Valley and this little experiment in international living always be a part of us and them.

North and South

In the summer of 1967 Vivian Stiely and Christine Waldman were Schuylkill Valley's unofficial ambassadors from the United States to South America. Christine spent the summer in Medellin, Colombia as a guest in the home of Senor Armando Riancos Labarces, an employee of the Ford Motor Co. Vivian lived in Bogota, Colombia in the home of Daniel Leon, a bank manager. Both girls shared their experiences with the student body and community.

The Panthers' Band may not win a medal for size, but they ought to have one for perseverance. This lively group practiced almost year round, enduring long hours in the blazing summer sun, and counteracting the icy blasts of the winter wind with their brisk marches. By combining sound and spirit, the band members worked hard all year under the direction of Mr. Hock and the band front under the direction of Miss Henke. They represented our school in the Pretzel Bowl, King Frost, Poppy, and firemen zone parades. The Concert Band entertained the public at the "Night of Music" and May Day. R. Hutsko, A. Ebling, P. McDonough, G. Smith, and S. Brubaker represented S.V. in district Band, which was held at our school. Hutsko also played in the State Regional Band. The efforts of S.V.'s Band have brought prestige to SCHUYLKILL VALLEY throughout the entire year.

Chorus Blends Voices Into Tone, Harmony, and Quality

The fascinating sounds produced by S.V.'s Senior Mixed Chorus at the annual "Night of Music" and school assembly were due to the long arduous hours of Monday night rehearsals under the direction of Mr. R. Shults. The "Road Not Taken" and "People" are only two of the melodic favorites that S.V.'s chorus presented to the public. The Valley Singers, comprised of S.V.'s outstanding vocalists, performed at church services in January and special assemblies. Vicki Snyder and Dave McFarland gave distinction to our school by representing us at District Chorus.

SOUTH PACIFIC Creates

Swaying palm trees and sandy beaches graced the auditorium November 16, 17, and 18, when 75 students from grades 7 to 12 performed Rodger and Hammerstein's dramatic musical, *South Pacific*. Talent, patience, and the skillful directing of Mr. F. Robert Reeser and Mr. Kenneth R. Lerch combined to make *South Pacific* our biggest and most brilliant Variety Show.

Staged on two small islands in the Pacific during World War II, the story begins as "Ensign Nellie Forbush," a gay young navy nurse, portrayed by Carol Shade, falls in love with the debonair French plantation owner "Emile de Becque," played by Arden Ebling.

Other leads included Allen Stevens as the attractive "Lieutenant Joseph Cable" and Joanne Boyer, the shrewd "Bloody Mary." Supporting roles included those of Ronald Lamm, the scheming "Luther Billis"; David McFarland, "Captain Brackett"; Dennis Teitsworth, "Captain Harbison"; and Lorraine Althouse, the lovely "Liat." This splendid cast was complemented by a top-quality chorus of singers and dancers, accompanied by the dance band under the direction of Mr. Charles Hock.

The special moments of this Variety Show are memories now: Luther's "Honey Bun" number, the blackout scene, homework finished in the dark at long rehearsals, the first attempt at applying stage make-up, Saturday practices, the three performances, and the joys and sorrows experienced by each person.

"Life with Father"

Clarence Day's hilarious comedy of the red-haired victorian Day family was presented on March 15. The personality of Father, a hot-headed business tycoon portrayed by David McFarland, contrasted greatly with the nature of his subtle but clever wife Vinnie, played by Karen Gerhard. Vinnie's illness, caused by John's "dog" medicine, led to Father's consent to be baptized. Vinnie's budget-balancing ability(?), and the romance between Mary and Clarence Jr. provided humorous moments.

Juniors Have One Last Step

The Class of 1969 will enter school in September to take that last step up the ladder of education. These past few years have been busy ones for the Junior class. This year they sponsored the Halloween Dance, and managed activity nights. In May, the Junior class honored the Seniors with a memorable Prom. In accordance with tradition, the Class of "69" chose their class colors—forest green and white, ordered blazers and sweaters, wrote UN term papers, and sent representatives as Exchange Students to South America, the Junior Miss Pageant, and the Poppy Queen contest. All these things have been successfully accomplished under the advisership of Mrs. Stern, Mr. DeLong, and the assistance of the class officers.

This year presented itself to the Sophomore class as one filled with many tasks of great importance. One of the most important events was the Valentine's Day Dance, which was excellently prepared for by the class. Reigning over the affair as King and Queen of Hearts was Brenda Celmer and Michael Graul. Still more exciting for the whole class was ordering their class rings. In the spring the sophomores visited the historical and picturesque sites of Philadelphia. Certainly the knowledge that the Class of 1970 has achieved is reward enough for its advisers, Miss Henke and Mr. Braun, who have used a tremendous amount of effort in sponsoring an active class.

Freshmen Step Into Senior High

With an induction into their chosen course of study and many new activities, the Freshmen began an active high school career this year. Senior high dances, dramatics, senior chorus, and band are among the non-academic pursuits open to them. Under the guidance of Miss Rothenberger and Mr. Reinbold, the class of 1971 experienced new liberties and responsibilities. They sponsored the St. Patrick's Day Dance and one activity night. In April they journeyed to Harrisburg and Gettysburg for an educational and fun-filled class trip. The Class of 1968 wishes the Freshmen the best of luck in their future endeavors at S.V.

SEVENTH GRADE CLASS OFFICERS
Miss Snaith, Adviser; M. Wisniewski, Secretary; S. Gatter, President; Mr. Blair, Adviser; J. Heffner, Vice-President; J. Celmer, Treasurer.

166 avid and ambitious seventh graders began the arduous task of "growing up" mentally and emotionally in a new environment. They have already felt the pains of defeat and rewards of victory in their initial academic careers. They have established friendships which will grow and strengthen over the years. Sponsoring the Junior High Activity Night was their official inauguration into a rich and rewarding social life. Voluntary participation in Junior High Sports, Junior Chorus, and Junior Band has created both self reliance and inter-dependency. Not Out of Memory

Our Alma Mater Will Always Remain!

Let us all unite and sing,
Our song of praise to thee,
With honor, laud, and glory,
We will true and faithful be.
Gratitude we owe to you,
And homage now we'll pay,
For you're our ALMA MATER dear—
Our guidepost every day.

Let's sing of mem'ries that we know,
Of joy within our soul,
As day by day we onward go,
Straightforward to our goal,
Now raise a toast to classmates dear,
To newer paths untrod,
For red and black let's give a cheer,
Toward victory we will plod.

Time-honored SCHUYLKILL VALLEY
Thy walls to us are dear,
Oh how can we forget thee,
Or the times that we've spent here?
Our ALMA MATER e'er you'll be,
And in our hearts will rule,
Forever steadfast, true to—
SCHUYLKILL VALLEY HIGH SCHOOL.
